2 BACKGROUND

- 2.1 We have created this membership scheme as we want to offer our great space to like-minded people. We hope that you enjoy using the space, please do remember it is a shared space for great people and treating the space and other users with respect is very important to us.

- 2.2 We are nice people, but we won't have members who are unprofessional or running their business from breakout space 5 days a week (we will happily show you an office if that's the case). It is somewhere for you to connect, somewhere for you to catch up on emails, somewhere for you to enjoy a well-made coffee in between meetings. We didn't want to have lots of terms, but our solicitor insisted we did. We hope you enjoy the space as much as we do, and we look forward to saying hello when we see you
